Please see the kind offer from Sauli Danpour below. The boxes will be delivered on Thursday, so if you could let me know your choices by the end of today, it would be great. Thanks.

Shawn,

This year I'd like to give your staff baked goods from our bakery tenant instead of pies. The 85 Degrees Bakery can accommodate us with 3 gift boxes. Choices are...

- 1> A log cake
- 2> Candy gift box
- 3> Sampler of 12 different breads

Let me know who wants which item. Please provide names so that we can have each box labeled, including the management staff at the BID operations center. Thanks and happy holidays.

Sauli
